CPD Programme

Continuing professional development is the process of life-long learning in practice. It helps the medical professionals to keep them up-to-date to meet the needs of the patient and health care services and to improve their knowledge, skill and attitude.

Enam Medical College arranges CPD programmes regularly. During the period of January to July 2012, total 10 seminars were held. Around 300 students, doctors and teachers attended each of these seminars.

Special Seminar

One special seminar was held on June 11, 2012.

1. Sound, Noise and Noise Pollution

Speaker : Prof. Pran Gopal Datta, Vice Chancellor, BSMMU, Dhaka

Chairperson : Prof. Abdul Mannan Sikder, Principal, Enam Medical College, Savar, Dhaka
