CPD Programme

Continuing professional development is the process of life-long learning in practice. It helps the medical professionals to keep them up-to-date to meet the needs of the patient and health care services and to improve their knowledge, skill and attitude. In Enam Medical College total 15 seminars were held during the period of January to April 2019. Around 300 students, doctors and teachers attended each of these seminars.

CME Programme

To enhance communication skill in teaching and learning and efficiency of judgment of teachers, especially the freshly appointed teachers in the assessment in examinations and to improve medical teaching standard of teachers by refreshing knowledge, skill and attitude, continued medical education (CME) programmes are very much needed. It is also essential to make them oriented with the updating of education system, teaching and research methodology and to share experience and views of senior faculties. In these perspectives, Medical Education Unit of Enam Medical College is arranging teaching and learning sessions for all teachers of the college every two months. All the teachers of the college actively participate in these sessions.

Participation and presentation in scientific conference

Dr Ashok Kumar Sarker, Assistant Professor, Department of Surgery, Enam Medical College & Hospital, Savar, Dhaka presented a paper titled 'Adult Penile Emergencies' in the 5th Surgical Conference 2019 held in Hotel City Inn, Khulna organised by Society of Surgeons of Bangladesh (SOSB) from March 08–09, 2019.

Participation in scientific conferences abroad

Dr Mashah Binte Amin, Associate Professor, Department of Radiology & Imaging, Enam Medical College & Hospital, Savar, Dhaka participated in 10th Global Intensive Hands-on Musculoskeletal MRI & Ultrasound Congress for Radiologists at Holiday Inn Resort, Penang Island, Malaysia from March 13–16, 2019.

Workshop

A workshop on 'Orientation on Clinical Management of Dengue Syndrome for Doctors' was held in Enam Medical College Auditorium, Enam Medical College on April 1, 2019 organised by National Malaria Elimination and ATD Control Program Disease Control Unit, Directorate General of Health Services (DGHS) and Ministry of Health & Family Welfare (MoH & FW). Seventy doctors and thirty nurses of Enam Medical College & Hospital participated in this workshop.
